## Lacrosse Head coach

The K-Town Lumberjacks, Kaiserslautern's men's lacrosse team, is looking for a new head coach. With our current coach planning to move soon, we're looking for qualified individuals to fill the position for our spring season and beyond.

Our German-American lacrosse team was founded in 2008 and since then has been successfully participating in the DLaxV (Germany's lacrosse association). The team currently plays in the 2<sup>nd</sup> Bundesliga-West SW tier, but our goal is to reach the 1<sup>st</sup> Bundesliga (aka the A league). In order to reach that goal we are practicing three times a week, twice on the field of our club (TSG Kaiserslautern) and once at the campus of TU Kaiserslautern.

### Requirements:

- Sufficient experience as player (ideally on various positions) and/or coach
- Skill and tactical expertise
- Willingness and motivation for team-improvement and regular practice planning
- Respectable character
- Coach/trainer certification or a sports degree is advantageous but not essential

### Benefits:

- Variety of exercise and practice opportunities/facilities (indoor and outdoor) throughout the year at our disposal
- Participation in league games in 2<sup>nd</sup> Bundesliga West SW of DLaxV
- Participation in various tournaments and Bundesliga West Cup
- International and motivated Team with experienced and rookie players of German and US-American Nationality (close to Ramstein Air Base)
- Assistance on and off the field via experienced captain/players
- Possibility of active participation during practice and in league games ("Playing Coach")
- Very good team play on and off the field
- When else will you have the opportunity to coach a multinational team like this?
